Miss Katherine Brown from EPA,
I was just checking in to see if you had heard anything on our latest QAPP version. We just sent in our Bio's and Abstract for the 2014 National Forum on Contaminants in Fish that I will attach here for you to see. Please let us know if there are any other changes or if you have any questions please send them along we would be happy to hear them.
Thank you,
Michael

I've attached the revised QAPP and all the appendicies I have here, except "Metals SOP"- it's just too much for this email so I'll send it separately next. I could not find one labeled "G." Michael and Tracie- if there is an appendix G, or if any others are missing, please attach and reply to all. Thanks!

Hi Gina,

Here is the latest version of our QAPP with revisions based on everyones comments and suggestions. We believe we have been able to answer most all comments and concerns but if we missed anything please let us know so we can get it right. We are also attaching another Appendix to go along with the ones we sent previously.

Thank you,
Michael
